Opinion

We have audited the accompanying financial statements of "EBL NRB Mutual Fund" (the "Fund"), which comprise the statement of financial position as at 30 June 2024 and the related statement of profit or loss and other comprehensive income, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements present fairly, in all material respects, the financial position of "EBL NRB Mutual Fund" as at 30 June 2024 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with Securities and Exchange Rules 1987, Securities and Exchange Commission (Mutual Fund) Bidhimala, 2001, Trust Deed and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matters

Without qualifying our opinion, we would like to draw the attention of the following matter:

1. We draw attention to Note 5.01 to the financial statements, which disclose that EBL NRB Mutual Fund participated in a pre-IPO placement of Best Holdings Ltd., acquiring 1,476,923 shares valued at BDT 97,722,337. It is noted that the issuer subsequently allotted 1,766,500 shares to the Fund, resulting in a variance from the initially disclosed investment volume. Additionally, the Fund incurred a share transfer fee of BDT 1,046,435.64, paid to the Registrar of Joint Stock Companies and Firms (RJSC).

Furthermore, we observed that although the Mutual Fund maintains a Beneficiary Owner (BO) account with its Custodian Depository Participant (DP ID: 46200; BO ID: 1604620052334521), the shares of Best Holdings Ltd. were instead transferred to a BO account maintained with a brokerage house, Multi Securities & Services Limited, during the audit period. This represents a deviation from the designated custodian BO account arrangement, which warrants appropriate governance oversight and disclosure.

The shares of Best Holdings Limited were later transferred from the Brokerage House DP to the Custodian DP on August 4, 2024.

- 2. We draw attention to Note # 6.02 & 6.04.(i) to the financial statements, which describe the Fund's investments in Padma Bank Limited. The investment falls within the scope of financial instruments that require fair value measurement under IFRS 13 "Fair Value Measurement." However, the investment has been recorded at its original acquisition cost, and no fair value estimation techniques or models, as required by IFRS 13, have been applied by the Asset Management Company. This constitutes a significant departure from the requirements of IFRS 13 and has resulted in a material misstatement in the carrying value of these financial instruments. Our opinion is not modified in respect of this matter.
- 3. We draw attention to Note # 6.02 & 6.04.(ii) of the financial statements, which describe the basis of measurement for the investment in Multi Securities & Services Ltd. The investment has been measured based on the net asset value (NAV) per share of BDT 14.3652, as reported in the company's audited financial statements for the year ended 30 June 2023. This measurement does not reflect updated financial information for the year ended 30 June 2024 and does not involve the application of a recognized fair value measurement technique as prescribed under IFRS 13, such as a market-based, income-based, or cost-based valuation model. Our opinion is not modified in respect of this matter.

Our opinion is not modified in respect of these matters.

We reviewed the reconciliations for the cases where differences were observed, if any.
2	Existence of cash and equivalent: We focused on the existence of cash and cash equivalent in different bank account because these cash and cash equivalent represent the one of the major elements of the net asset value as disclosed in the statements of financial position in the financial statements. To confirm this, we gained an understanding of the internal control structure and operating effectiveness of key controls surrounding and existence of cash and cash equivalent. As per IAS 7 cash comprises cash in hand & demand deposits and cash equivalents recognizes the short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Information Other than the Financial Statements and Auditor's Report Thereon

The Asset Management Company (AMC) is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement therein of this other information; we are required to report the fact. However, we have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

The Asset Management Company (AMC) is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), Securities and Exchange Commission (Mutual Fund) Bidhimala, 2001 and Trust Deed, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management of the Asset Management Company (AMC) is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are responsible for overseeing the financial reporting process of the fund.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high-level assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion the effectiveness of the fund's
 internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparing financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the fund to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. However, we have not come across any significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements We also report the following:

- (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- (b) the statement of financial position, statement of profit or loss and other comprehensive income and statement of cash flow dealt with by this report are in agreement with the books of accounts and returns;
- (c) in our opinion, proper books of accounts as required law have been kept the Fund so far as it appeared from our examination of those books;
- (d) the expenditure incurred and payments were made for the purpose of the Fund's business; and
- (e) The investment made by the Fund is as per Rule 56 of Securities and Exchange Commission (Mutual Fund) Bidhimala, 2001.
